

SURVEY OF ARIZONA LIKELY VOTERS
 JUNE 17-20, 2024

Question 1: How Bidenomics Is Working

Thinking about the economy, how well do you believe “Bidenomics” – President Biden’s term for his economic policies – works for most middle-class families in Arizona: very well, somewhat well, not too well, or not at all?

Question 9: View of Time Spent on Issue: Social Issues

Now I would like to read you a list of issues and topics that the federal government may address. For each one, please tell me if the Biden Administration has spent too much time addressing that issue, about the right amount of time addressing that issue, or not enough time addressing that issue: Social issues like abortion, racism, and gay rights.

Question 11: View of Time Spent on Issue: Foreign Affairs

Now I would like to read you a list of issues and topics that the federal government may address. For each one, please tell me if the Biden Administration has spent too much time addressing that issue, about the right amount of time addressing that issue, or not enough time addressing that issue: Foreign Affairs.

Question 13: Effect of Government Programs

Since President Biden took office, the federal government has agreed to one-point-one-trillion dollars in new spending on things like infrastructure, greenhouse gas reduction, and semiconductor manufacturing, and an additional half-trillion dollars for green energy tax credits. How much effect would you say that these new government programs and tax credits have had on your life, personally: a great deal, some, not much, or none at all?
